## Programs Sponsored by the Friends of the Santa Fe Public Library

The Santa Fe Public Library Presents  
**Wild Spirit Wolf Sanctuary**  
A Program for Children and Families

Wild Spirit Wolf Sanctuary focuses its efforts on educating the general public about the wild wolf, wolves and wolf-dogs in captivity, and the difference between wild and domestic animals. One of the Ambassador wolves will be present to better demonstrate such points as wolf physical characteristics and behavior. The presentation will include the difference between wolves and dogs, wild and domestic animals, and some of the myths about wolves portrayed by the media, where these ideas originated, and why they are false.

### **School Visits: Free Bus Trip**

The Friends would like to encourage Santa Fe Public School children to become acquainted with their public library. We believe that a library visit can encourage a lifetime of library use. To facilitate the field trip, the Friends will underwrite bus transportation for one visit per Santa Fe Public School Elementary and Middle School class each school year.

The Southside Friends of the Santa Fe Public Library Book Store is now open on Sundays from 1:00-4:00 p.m.

*Wendy Hitt, 2015 Co-President, presents Heart of the Library to Susan Sheldon, Past President, at the General Membership Annual Meeting, January 2015*
